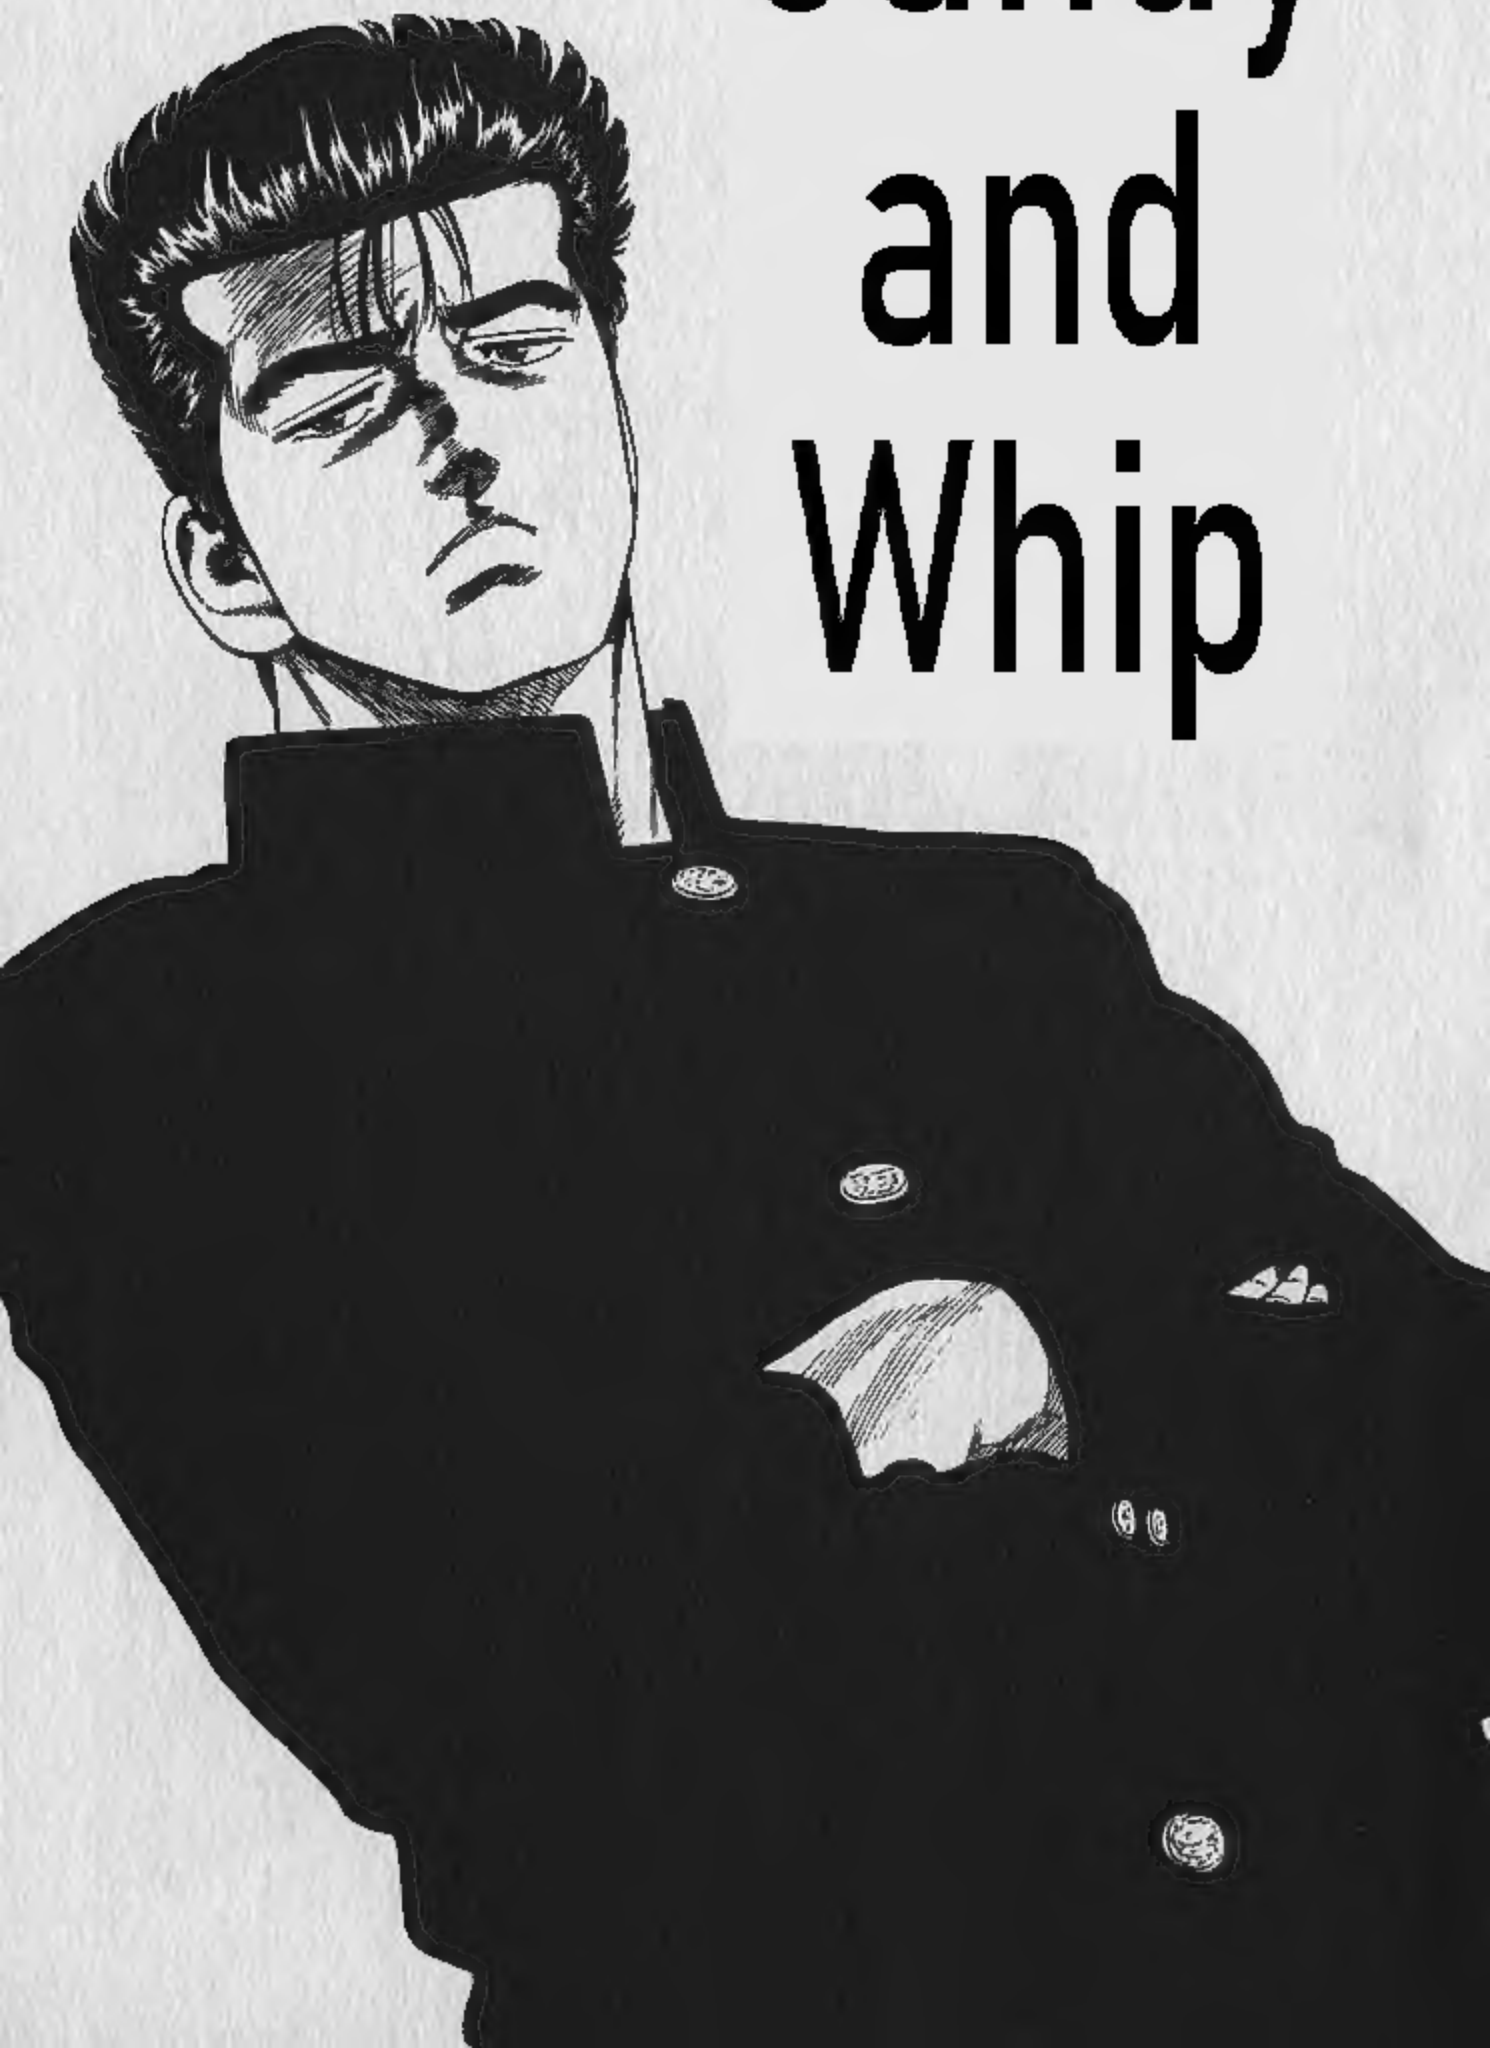
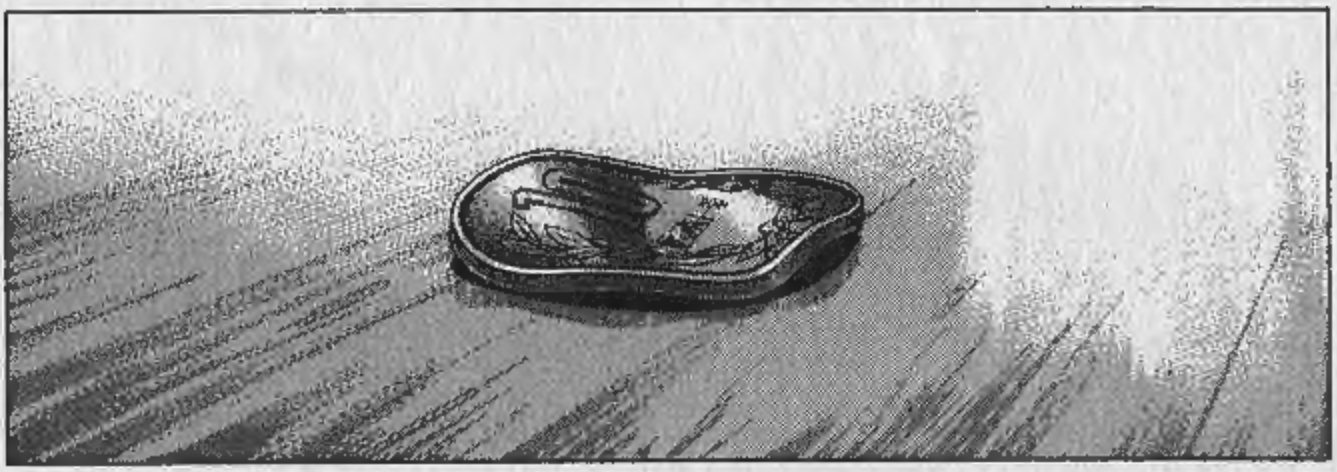
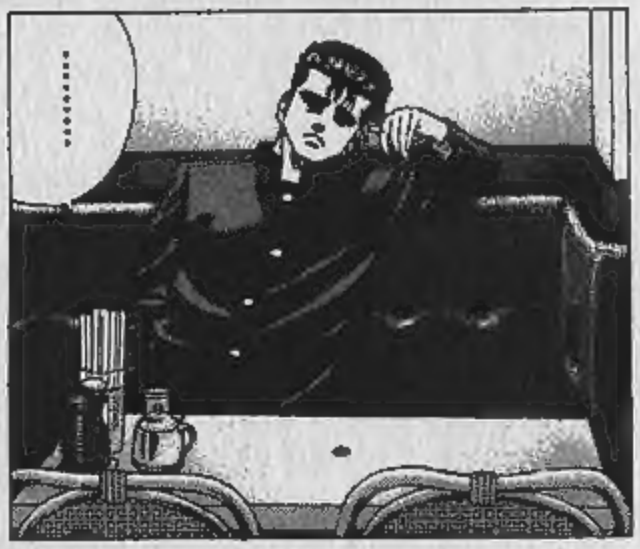
Candy and Whip





Idiot.
I know he lost his student handbook, but he's in that much shock, huh?
You're fucking retarded.



.....

.....

Apart from with Kawa-shima
Boss already said it was over, and the other side's guys agreed, but it didn't feel that way, y'know?

If you think about it, we didn't leave any beating untaken.
He still isn't decided on Kawashima

According to Maeda...
I heard he has a lot of serious trust, and it looked partially like that...
Fwip

He doesn't come off that way, though.
And he's still fundamentally human.

I can't really tell.
What kind of guy is he really? Kawashima, I mean.
Other people seem strangely afraid of him but that's many a common story.

He's very well trained.
To strike fear in people yet command as you please, and then still have the nerve to earn serious trust...

T/N - Kakaka is laughter

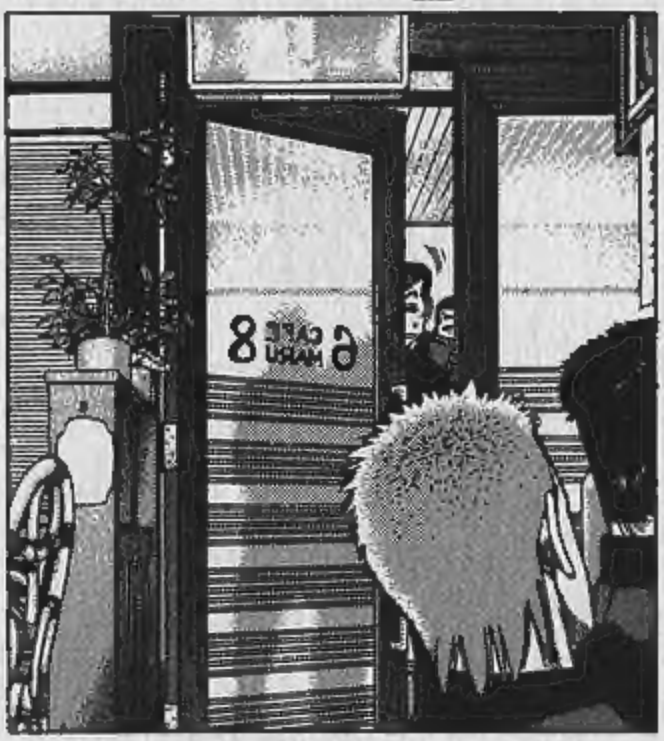
I still haven't used my force.
What's the matter?
Woah- You startled me!
ガー

Right now, I'm thinking about picking a fight.

Eh?

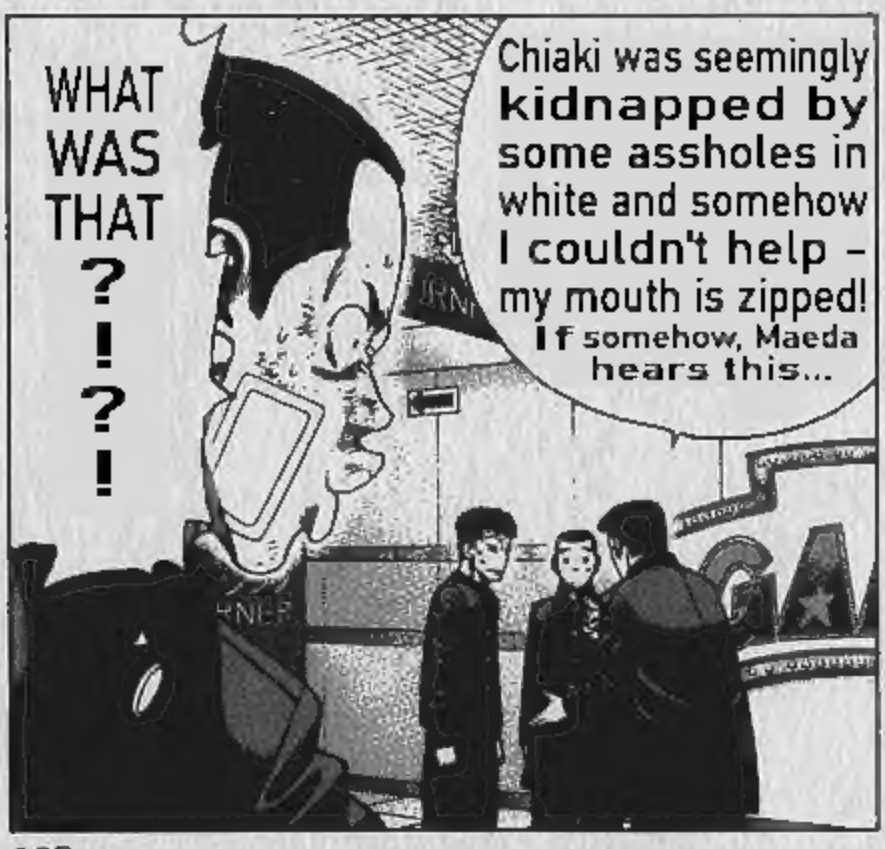
Hm?
Welcome!

6 CAFÉ MARU 8
I'm gonna rest a moment right here.



……

Hey, hey hey! You guys are pretty cold, huh?
Actually, let's go over there...



WHAT WAS THAT ?!?!
Chiaki was seemingly kidnapped by some assholes in white and somehow I couldn't help – my mouth is zipped! If somehow, Maeda hears this...

H-how are you going to respond to his call just now?
Idiot. I'm not going to. Keeping quiet is fine.

And you shitheads shamelessly ran away???
Kyouto, huh?! Those Kansai fuckers, right?! And what happened to Chiaki?!

Why don't you tell me that again, fucker?
S... shit...

When that happened... Chiaki and company ran away, so... A-After that, I don't know!
Y-you're mistaken about something... Oni– Onizuka helped them...

Eh...

Chiaki and company...? So Kazumi, too!?
Oni-zuka??

Maeda!

Where are we going?
We're almost there.

UC
UCカードプルーフ

Aiming for love is stupid. All sorts of problems start there.
Heh... Who would willingly follow a guy like me in?

If I even don't go home, I might make it to the top. Fuck...
That's my desire.

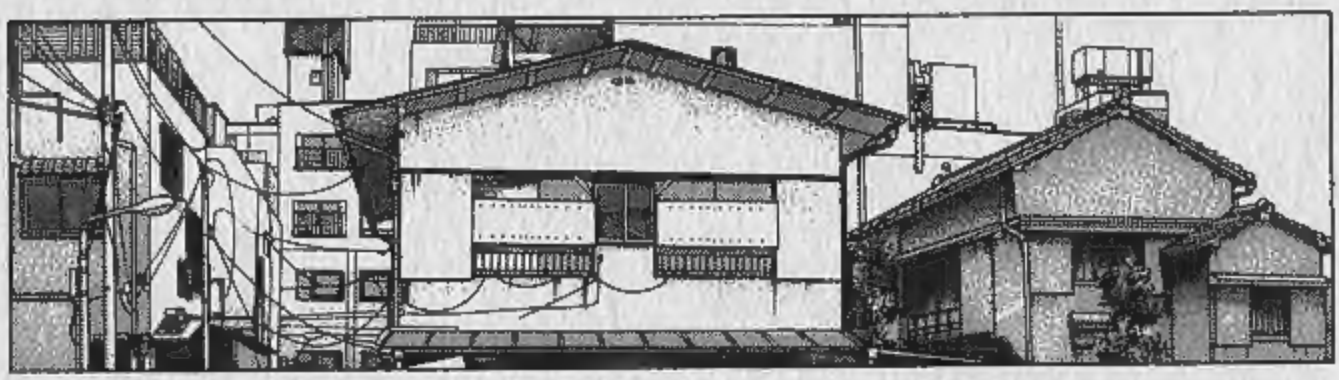
This is the hotel district, no?
That's not why I said we're almost there.
Keep walking or you'll get separated, moron.

For the near future.

It might be good for you to want to see this.

That's enough already, c'mon.

Ha?



What are you saying, Kazumi!

Hey, I'm pretty sure this Onizuka is the same Onizuka our school had a bad relationship with...

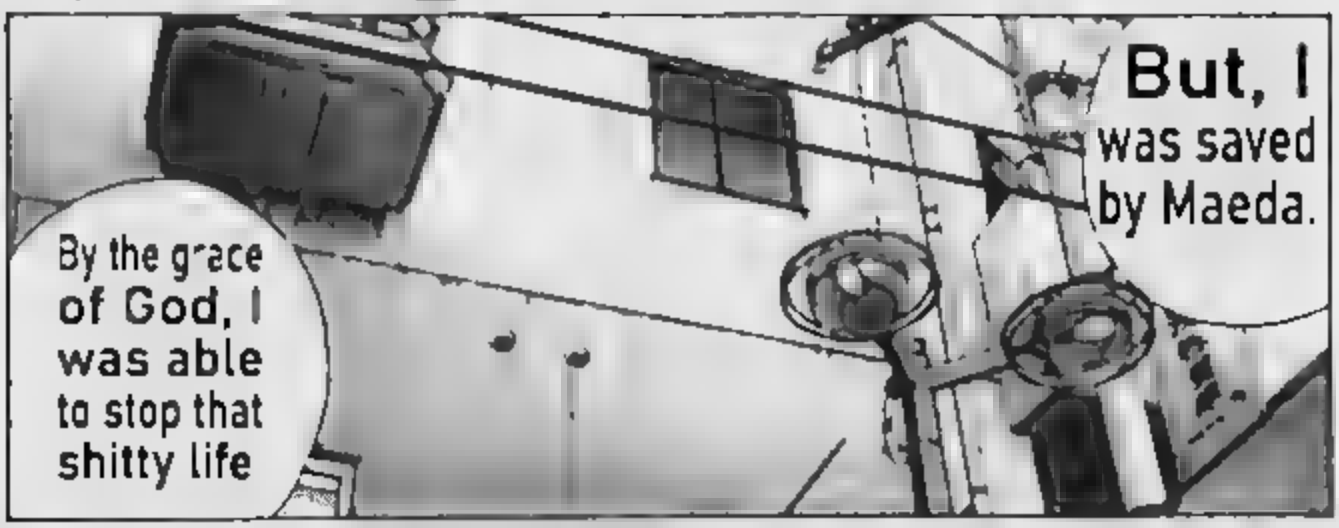
Certainly, I was hated in the past.

Fuu~... It's fine.

I don't really need your compliments.

Um... Thank you very much...

If you don't go home quickly, you might run into those guys again.



But, I was saved by Maeda.
By the grace of God, I was able to stop that shitty life

What's up, Onizuka?

.....

Hmph~ That's not the case, moron.

A flower on both arms huh?
Ka ka ka!
I'm jealous~~

Aniki...

I thought he came to attack, but you can't say that now...
Oi, oi, oi... He's trembling, what's up with that?
.....

Oi, oi...

No way...
Kawashima's bro... Now that you mention it, he was a delinquent... And he was killed in an incident with the Tokyo Yakuza... I heard something about it, but...

Kawa-shima

What did you say?
H-he wasn't one of these Horie-gumi guys, right?

.....

.....

A-are you for real???

Did you mean really, that we were launching an attack...

Constraining our guys would be useless, you also said...
T-that's right... Maybe... You said for the sake of my near future, too, I should see this...

W–

Using our guys...
to get revenge on the Horie-gumi??
